

## **DIOCESE OF SODOR AND MAN**

### **CARE FOR DEPENDANTS**

You may request time off work, or adjustments to your duties, to care for a 'dependant'. This could be your husband, wife, partner, child, parent, or anyone living in your household as a member of the family. Someone who reasonably relies on you for assistance, or arrangements for care, in case of illness or injury may also be a 'dependant' for this purpose.
