

Elections to General Synod Sept/ Oct 2026

Many of you will already know me – I am Rev Liz Hull and have trained in our Diocese and worked here as a Curate and now as Vicar of St Thomas' Church and Chaplain to St John Ambulance on the Isle of Man. I am seeking to represent the Diocese at General Synod as your clergy representative. I hope to represent the views that I feel that many within the Diocese hold of inclusivity within our church.

Since I've been vicar of St Thomas' church the church has achieved a Bronze Eco award (2025). The church has hosted the Earth artwork Gaia by Luke Jerram (2024) and a group in the church created a flower tower which attracted a lot of attention (2023). We are in the process of improving disability access for the church and have been successful in securing grants in the church's journey towards Net Zero.

A little bit more about me: I'm married to Steve who is a licensed Reader in the Diocese, and we have three adult daughters and one grandson. I have an active interest and involvement in environmental issues and Amnesty International regularly joining vigils for Palestine in the last two years. I am a member of the Isle of Man Choral Society and Steve and I are allotment holders. We also try to live out our beliefs in our day-to-day life taking time about how we care for our world.

I look forward to receiving your vote. If you want to find out more you can email me on liz.hull@sodorandman.im or 677711.

Together for the Church of England: We hope to see full inclusion and equality in the Church of England. We recognise that we all understand the unconditional love of God for all people in different ways but seek to grow a church which gathers all who profess faith in God, Father, Son and Holy Spirit.

I have lived on the island since 1989 originally coming over here to work as an Occupational Therapist in Mental Health. Steve is from the Isle of Man and our daughters and grandson were born here. We also have two dogs and two cats and numerous fish who make up our household. ☺ Steve and I were former chair and secretary of Greenpeace IOM before parenthood made life too busy but have been happy to re-engage with environmental groups and Amnesty International.
