

The Lord's Prayer Tour 2025

Archbishop Stephen will lead a tour across the North of England in 2025 to teach the Lord's Prayer, visiting dioceses in the Northern Province of the Church of England. He aims to show the importance of the prayer and encourage people to live by its message.

He said, "The Lord's Prayer is simple yet powerful, shaping how we pray and live. When we pray it together, we join in God's work of change."

A special event on 10 October 2025 will invite churches, schools, and individuals across the North to pray together.
