

# Museum of The Moon

by Artist  
Luke Jerram

## COMES TO PEEL

**9 February - 2 March**

**Open daytime and evening at the Cathedral**  
**Free admission**

The 6-metre diameter moon features detailed NASA imagery of the lunar surface. With moonlight and a soundscape, this is an unforgettable experience.

See posters and social media  
for lunar-inspired events for all  
beneath the moon
